Dear Mrs Marshall

Thank you for your reply and attachments. Kindly note that I am not in receipt of the following attachments :

white c app 5.pdf
white c app 6.pdf

Please can you forward those attachments.

I will forward your replies and attachments to the Local Authority Ombudsman together with a response to your replies. I expected the Council to "close ranks" on this matter because of the financial implications that the Council will have if they admit to maladministration. It is a great shame that Charnwood Borough Council cannot admit to the truth of what has happened here in this massive case of maladministration and that the matter is going to have to drag on through the LAO.

Yours sincerely

Charles White

Dear Mr White

As promised, please find attached the Council's response to your complaint of maladministration concerning the demolition of Swithland Barn. You will note in the chronology attached to the response that a number of appendices are referenced. Rather than send them through as attachments and risk this email not getting through to you due to the number and size of attachments, I will send them to you by separate email and I will also put a hard copy in the external mail to you.

If you need any further information please get in touch.

Yours sincerely

Caroline Marshall (Mrs)
