Subject: Demolition Order - Swithland Barn - Complaint of Maladministration

Dear Mr White

I am conscious that the deadline for our response to you regarding the above complaint is today and I apologise that we have not yet been able to send this to you. The complexity of the complaint, the history of which as you know goes back a number of years, has meant that the investigation has taken longer than we would have hoped. In view of that, I have to let you know that our response will be sent to you as soon as possible and will be with you by no later than Wednesday 14th October.

Please let me know if you need any further information.

Yours sincerely

Caroline Marshall (Mrs)
