Date : 24th September 2009

Hardcopy by POST

Dear Sir / Madam

I wish to make a formal complaint against the Planning Department of Charnwood Borough Council. By law I have the right to submit a Prior Notification of Agricultural Development for the construction of a barn for the purposes of agriculture within our agricultural business unit.

Mr Mick Morley has responded to our application and has refused to accept the application.

The Council's actions are illegal. By law, the application MUST be accepted and processed.

I ask that this matter be investigated without delay.

Yours faithfully

Charles White
